# COMPANY CHART

## Foundation Stage:

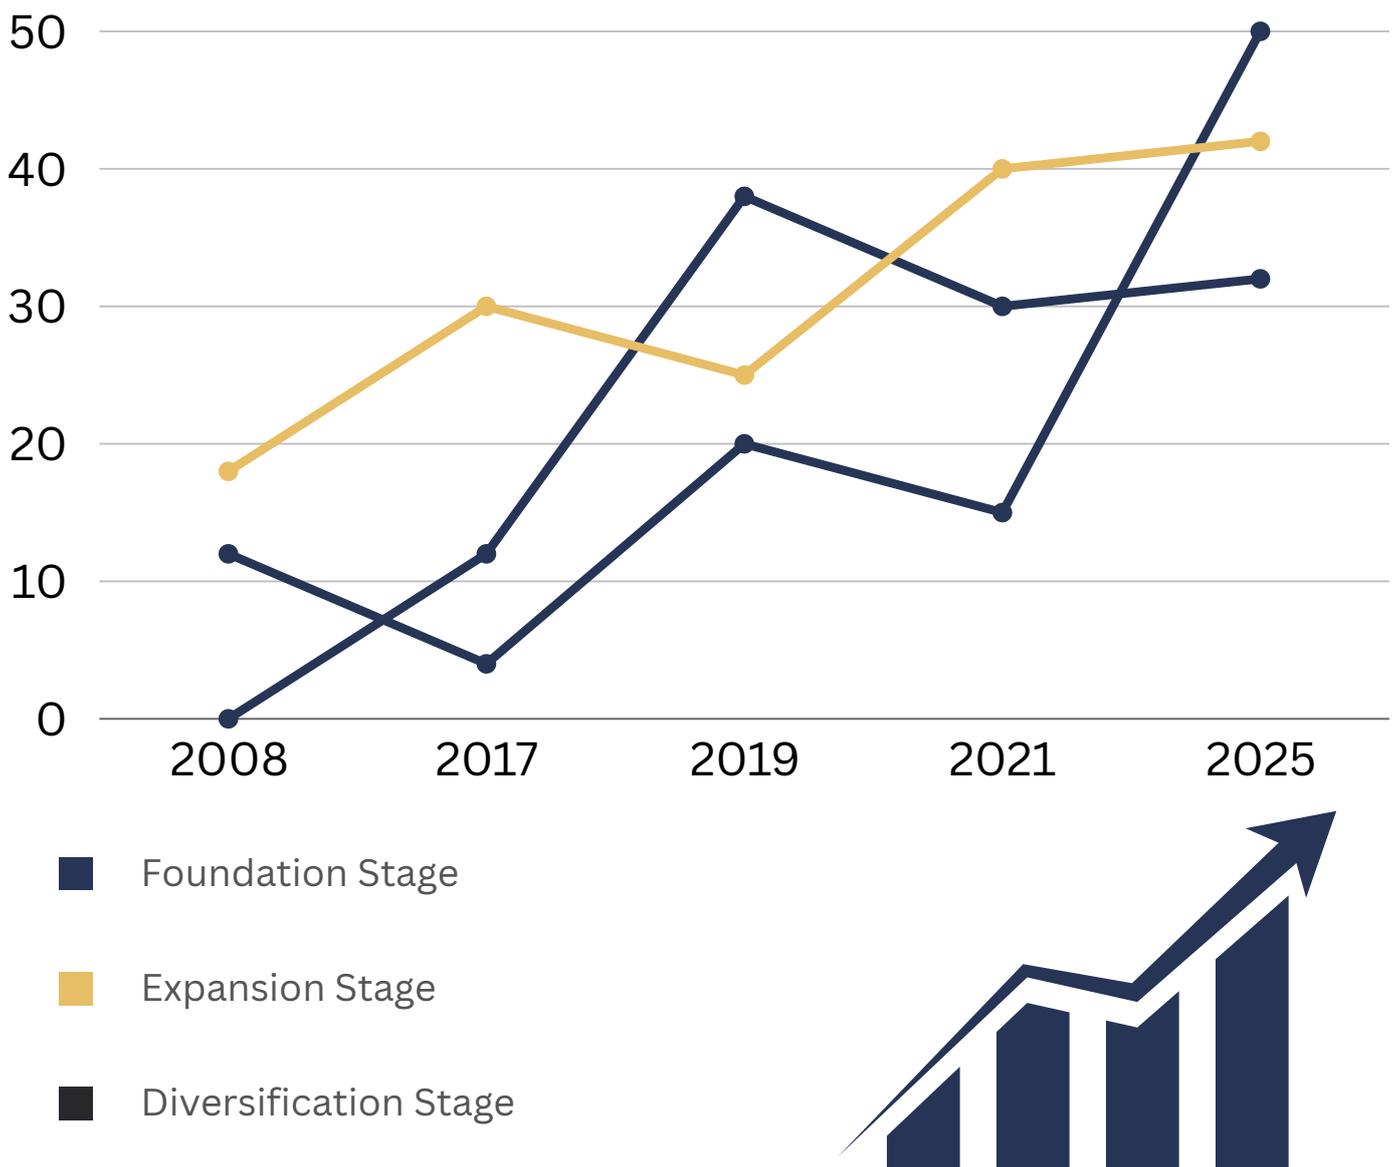

AGNS International was established with a vision to provide reliable manpower supply and equipment services to support industrial, construction, and project-based operations. From the beginning, our focus has been on quality, safety, and timely delivery to ensure client satisfaction.

## Expansion Stage:

Recognizing the growing needs of our clients, we expanded our services to include material trading, supplying essential industrial and construction materials efficiently and cost-effectively. This step allowed us to support clients more comprehensively.

## Diversification Stage:

To create a complete service ecosystem, we introduced scrap purchasing services, helping clients manage waste, maximize resource utilization, and maintain sustainable operations. This diversification strengthened our market position and client trust.

# MANPOWER SERVICES

AGNS International provides reliable and skilled manpower supply services to meet the diverse needs of industrial, construction, and project-based operations. We source, recruit, and deploy qualified personnel across various disciplines, ensuring that clients have the right workforce for their projects. Our manpower services cover temporary, contract, and permanent staffing solutions, tailored to meet specific project requirements. We prioritize safety, efficiency, and compliance with labour regulations, ensuring a professional and dependable workforce.
